3. BACKGROUND AND LEGISLATION

Background

The Department of Education and Training (DET) provides funding for each child who is enrolled and attending a funded kindergarten program in the year before school. Income from other sources, primarily fees, is required to meet all the additional costs incurred by the service in the delivery of the children's program. In

Grange Road Kindergarten Association Inc.

addition, the Kindergarten Fee Subsidy (refer to *Definitions*) enables eligible children to attend a funded kindergarten program free of charge in the year before school.

DET also funds Early Start Kindergarten for three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs as outlined in *The Kindergarten Funding Guide* (refer to *Sources*).

DET requires that funded services have a comprehensive written fees policy, and the content of this policy must be communicated to families. The policy must include a written statement about the fees to be charged, as required under Regulation 168(2)(n), and the payment process. All families must be informed of applicable term and annual fees at the time of enrolment. Services must also advise eligible families of the Kindergarten Fee Subsidy arrangements. The fees charged must comply with the *Kindergarten Fee Subsidy – Fees Policy* (refer to *Definitions*), and be responsive to the local community and the viability of the service. *The Kindergarten Funding Guide* (refer to *Sources*) outlines the criteria to be covered in the policy.

Legislation and standards

Relevant legislation and standards include but are not limited to:

- *Charter of Human Rights and Responsibilities 2006* (Vic)
- *Child Wellbeing and Safety Act 2005* (Vic)
- *Disability Discrimination Act 1992* (Cth)
- *Education and Care Services National Law Act 2010*
- *Education and Care Services National Regulations 2011: Regulation 168(2)(n)*
- *Equal Opportunity Act 1995* (Vic)
- *National Quality Standard*, including Quality Area 7: Governance and Leadership

4. DEFINITIONS

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. Approved Provider, Nominated Supervisor, Regulatory Authority etc. refer to the *General Definitions* section of this manual.

Early Start Kindergarten: A funding program that enables three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection to attend a kindergarten program that is planned and delivered by an early childhood teacher for up to 15 hours per week. Details are available at: www.education.vic.gov.au

Enrolment application fee: A payment to cover administrative costs associated with the processing of a child's enrolment application for a place in a program at the service.

Excursion/service event charge: An additional charge required to meet the cost of special events or excursions that occur in response to emerging children's program needs. Events that are planned ahead and are included as an expenditure item in the service's budget do not incur this additional charge (refer to *Excursions and Service Events Policy*).

Fees: A charge for a place within a program at the service.

Grange Road Kindergarten Association Inc.

Health Care Card: A Commonwealth Government entitlement providing concessions for low-income earners and other eligible people. Details are available at: www.humanservices.gov.au

Kindergarten enrolment fee: A charge to secure a place that has been offered in a program at the service. This is non refundable and is not deducted from term fees.

Kindergarten Fee Subsidy (KFS): A state government subsidy paid in addition to per capita grants to subsidise the costs of parent fees and enable eligible children to attend a funded kindergarten for 15 hours free of charge (*The Kindergarten Funding Guide* (refer to Sources)).

Families will be refunded this levy once they complete two voluntary activities throughout the year which help to run and maintain the Kindergarten (for example; attending a working bee, helping the fundraising team at an event, or assisting the Teachers with a specific request or task). It is encouraged to undertake your two activities prior to the end of term 3, so your levy can be deducted off your term 4 fees. If you complete your two voluntary activities after the end of Term 3 and during Term 4, then there are two options available to you depending on whether your child will be attending GRK in 2020:

- Option 1 – if your child will be attending the Kinder in 2020, then your \$150 will be deducted from your 2020 Term 1 fees.
- Option 2 – if your child will not be attending the Kinder in 2020, then you will receive an email from the Bookkeeper asking for your bank details. Upon receipt, the levy will be refunded to your account.

Fee information for families

Grange Road Kindergarten 2020

1. General information

The Department of Education and Training (DET) provides funding for each child enrolled and attending kindergarten in the year before school as a contribution toward the costs of providing the program. Services meet the balance of costs through charging fees and fundraising activities.

DET provides a Kindergarten Fee Subsidy (see below) that enables children from eligible families to attend a kindergarten program free of charge in the year before school.

DET also provides funding to assist eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs.

Grange Road Kindergarten provides a range of support options to parents/guardians experiencing difficulty with payment of fees (see below).

2. How fees are set

As part of the budget development process, the Committee of Management sets fees each year for the programs of the service, taking into consideration:

- the financial viability of the service
- the level of government funding provided for the program, including the Kindergarten Fee Subsidy
- the availability of other income sources, such as grants
- the fees charged by similar services in the area
- the capacity of parents/guardians to pay fees
- reasonable expenditure in meeting agreed program quality and standards
- requirements of *The Kindergarten Funding Guide* (Department of Education and Training) available from the DET website: www.education.vic.gov.au

Once fees are set for the year, they will only be reviewed in extraordinary circumstances, for example, if enrolments drop and the service is at risk of not being able to meet its expenses.

3. Other charges

Other charges levied by Grange Road Kindergarten are included on the Statement of Fees and Charges. These include:

- **Kindergarten fee deposit:** This payment secures a child's place at the service and is payable on acceptance of enrolment. The deposit is not deducted from term fees and is non refundable. Families eligible for the Kindergarten Fee Subsidy (see below) are not required to pay the deposit. Families experiencing hardship should discuss any difficulties with the service.

Grange Road Kindergarten Association Inc.

- **Excursion/service event charge:** At times throughout the year an additional excursion(s) or event(s) may be arranged where it is considered relevant to the service's program and the children's interests. At this time any additional costs to families are taken into consideration before a decision is made (refer to *Excursions and Service Events Policy*).
- **Family Involvement levy (Refundable levy):** The participation of parents/guardians is encouraged by the service and can help to keep costs more affordable. As not all families are able to assist at the service, a refundable levy system has been introduced to replace volunteering or fundraising activities. Payment will be credited to parents/guardians with their term 4 fees on participation in two recognised activities, for example one working bee and participation in organisation of one fundraising event. Eligible concession card holders will not be required to pay this levy. The levy is not intended to be a barrier to participation and families experiencing difficulties should discuss this with the service.
- **Late collection charge:** The Committee of Management reserves the right to implement a late collection charge when parents/guardians are frequently late in collecting a child from the service. This charge will be set at a level determined by the Committee of Management and is currently \$15 per fifteen minutes.
- **Late payment Fee:** A \$10 per week late payment charge that will be imposed by the Approved Provider when fees are not paid by the due date.

4. Statement of fees and charges

A statement of fees and charges for four-year-old or three-year-old kindergarten will be provided to families on enrolment.

5. Fundraising

Not all service costs are covered by DET per capita funding and the fees charged. Fundraising is undertaken to meet the balance and/or pay for additional items for the service. While participation in fundraising is voluntary, the support of every family is encouraged. Fundraising activities are also an opportunity for families and communities to come together.

6. Subsidies

6.1 Kindergarten Fee Subsidy (four-year-old programs only)

The Kindergarten Fee Subsidy is provided by DET and enables eligible children to attend 15 hours of kindergarten free of charge. Eligibility conditions may change from time-to-time and must be checked in the most recent edition of the *Kindergarten Funding Guide* (refer to *Sources*).

Families may be eligible for the Kindergarten Fee Subsidy in the year before school if their child:

- is Aboriginal and/or Torres Strait Islander; or
- holds, or has a parent/guardian who holds a Humanitarian or refugee Visa; or
- is a multiple birth child (triplets or more); or
- holds, or has a parent who holds a Commonwealth Health Care Card, Pensioner Concession Card or Veteran's Affairs Card.

Where a child is identified by a parent, carer or legal guardian as an Aboriginal and/or Torres Strait Islander, no verification is required.

Grange Road Kindergarten Association Inc.

In all other instances, supporting documentation should be sighted by the service on acceptance of a place or on commencement in the program, however where there are delays, such as in obtaining health care cards for children in out-of-home care, the delay should not provide a barrier to the child accessing the Kindergarten Fee Subsidy. Families are eligible for the Kindergarten Fee Subsidy for the full term in which their concession is valid. Contact the service for further information.

6.2 Early Start Kindergarten fee subsidy

Three-year-old Aboriginal and Torres Strait Islander children and children known to Child Protection are eligible to attend a funded early childhood program that is planned and delivered by a qualified early childhood teacher free of charge. The service receives funding for children who meet the eligibility criteria. Contact the service for further information.

7. Payment of fees

The Committee of Management will regularly review payment options and procedures to ensure that they are inclusive and sensitive to families' cultural and financial situations.

Fees will be invoiced to parents/guardians directly and must be paid by the date indicated on the invoice. Each invoice will be accompanied by payment instructions. The first term's fees must be received in full prior to the child commencing at the service. For children enrolled after the commencement of a term, a pro rata invoice will be issued and must be paid in full within 14 days of the child's commencement at the service. Receipts will be provided for fee payments on request.

Parents/guardians experiencing difficulty in paying fees are requested to contact the Bookkeeper to arrange a suitable alternative payment plan. The *Privacy and Confidentiality Policy* of the service will be complied with at all times in relation to a family's financial/personal circumstances.

8. Unpaid fees

If fees are not paid by the due date, the following steps will be taken.

- An initial reminder letter will be sent to parents/guardians with a specified payment date, and will include information on a range of support options available for the family.
- Where payment is still not received, families will be invited to attend a meeting to discuss the range of support options available and establish a payment plan.
- Failure to attend the meeting and continued non-payment may result in a second and final letter notifying parents/guardians that the child's place at the service may be withdrawn unless payment is made or a payment plan is entered into within a specified period of time. This letter will also include information on a range of support options available for the family.
- The Committee of Management will continue to offer support and will reserve the right to employ the services of a debt collector.
- If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided with 14 days' notice in writing.
- No further enrolments of children from the parents/guardians will be accepted until all outstanding fees have been paid.

Grange Road Kindergarten Association Inc.

9. Refund of fees

If a family becomes eligible for the Kindergarten Fee Subsidy during a term, a full refund of the applicable term fees (and fee deposit, where appropriate) will be provided. Fees may still apply for programs offering more than the required minimum hours per week.

In any other case, fees are non-refundable (exceptional circumstances may apply – these are at the discretion of the Committee of Management). There will be no refund of fees in the following circumstances:

- a child's short-term illness
- public holidays
- family holiday during operational times
- closure of the service for one or more days when a qualified educator is absent and a qualified reliever is not available
- closure of the service for staff training days
- closure of the service due to extreme and unavoidable circumstances.
- withdrawal of the child from the kindergarten (unless there is another child on the waiting list that can immediately take over the place). If there is a child that can immediately take over the place*, fees may be refunded pro-rata if the request is made in writing to the Bookkeeper and the child's teacher **with four weeks notice of intent to withdraw**. This also applies to the Extended Care session fees, where no refund applies if the child is withdrawn, unless there is a child on the waiting list that can immediately take over the place*, and **four weeks notice of intent to withdraw** is given in writing to the bookkeeper and the child's teacher.

*Please note that a refund may not be offered for withdrawals in term 4 (subject to committee discretion)

- In addition, there will be no refund where a family chooses not to send their child to the program for the maximum number of hours for which they are enrolled.

10. Children turning three during the year of enrolment

Children can only commence the program when they have turned three.

If a child has not turned three at the commencement of term 1 and the kindergarten is fully subscribed in the three year old groups, the full term fee is payable even though the child will not commence until they turn three.

If a child has not turned three at the commencement of term 1 and the kindergarten is **not** fully subscribed in the three year old groups, a \$100 non refundable acceptance fee is required to be paid, and providing that the kindergarten is still under subscribed at the time the child turns three, the family will be charged pro-rata term fees from the child's commencement date. If the 3yo groups start to fill up prior to the child turning three, the family will be advised that fees need to be paid from that date in order for the spot to be held.

11. Support services

Families experiencing financial hardship often require access to family support services. Information on these services may be available from the kindergarten service provider or alternatively families may contact the local council.

Grange Road Kindergarten Association Inc.

12. Notification of fee changes during the year

Fees set for the year would only be reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point. Parents/guardians will be notified one term in advance of any required fee increase and will be offered the option to request a payment plan.
